2010 Book & Author Brunch: Another Success

We've received so many compliments on this year's B&A. While we always strive for it to be so, it is not always a given that it will. We can say without reservation that a good time was had by all!!

Our Branch is very grateful for the support of sister Branches, members and friends. Let's do it again next year.

Our financial officer will report on the monetary outcome.

Members, it is time to elect officers. We will again discuss the new guidelines obtained at the state convention last year. I will email the updated by-laws you're your review (incorporating the new guidelines.) Please review and bring questions or concerns.

If anyone is interested in President/ Branch contact or secretary (this is very important) please consider. We will convene a nominating committee at this month's meeting.
